Please e-mail all verses and text for all printed goods to [lenila@designsbylenila.com](mailto:lenila@designsbylenila.com). This will expedite the proofing stage and should be more accurate since you will be typing your own information. Orders will not be printed unless proofs and layouts are approved, so please proof very carefully. Once products are printed and created, *Designs by Lenila* will not be responsible for any errors, typos or omissions therein.

Your card will not be processed until we contact you to discuss your order and total. Payment in full will be required to start your order process. Sales tax is included for purchases made in California. A \$50 fee applies to cancellations. Cardholder authorizes *Designs by Lenila* to provide goods/services in the amount invoiced and agrees to perform the obligations set forth in the cardholder's agreement with the issuer. After you have approved your final proof via e-mail, fax, or phone, we will start production and will require about three to four weeks to finish, depending on our production load and paper inventory. If things change, we will notify you immediately.
